**S**eselwa in ekout avek atansyon bann swadizan sanzman dan gouvènmman SPPF. Apre esper avek pasyans, konklizyon se tou sa la se zis en gaspiyaz letan. Mr. Michel in tir la in met la, oubyen parey proverb kreol i dir, 'tir dan labarb, met dan moustas, tou sala plim menm!'

### Pillay: Demisyonnen oubyen pouse?

In annan plis leskiz, olye prezant en nouvo direksyon. Minis Pillay in demisyonnen, me selman i ganny interview lo SBC e i dir 'nenport ler ki Mr. Michel i bezwen li i pare.' Si i pare nenport ler, akfer in bezwen demisyonnen e sorti dan gouvènmman? Kestyon ki dimoun i demande kan zot antann sa kalite remark, se 'Eski vreman in demisyonnen lo limenm, oubyen eski in ganny demande pou arete?' Lepep Seselwa pou konn tou laverite byento letan i komans koz andeor SBC.

### Kreasyon bann pti lanpir

Dan son koze, Mr. Michel in dir ki fodre pa ki dimoun i reste dan menm pozisyon pour en kantite letan. I dir ki fodre pa ki dimoun i kree bann pti lanpir otour zot. Annou poz sa imsyte serten kestyon: Akoz ki napa en frer Savy ki'n ganny sanz pozisyon? Eski pa zot dan menm pozisyon pandan en tre long letan? Letan Mr. René in reste o-pouvwar pour plis ki 25an, eski sa pa ti en pti lanpir ki in kree? Letan ou, Mr. Michel, ou'n dan gouvènmman pour 32an, eski ou pa'n la pour tro bokou letan? I kler ki Mr. Michel i zis servi parol san vreman regarde kwa ki i pe dir e ki mannyer sa bann deklarasyon i aplik pour limenm. Pov boug!

### Rezon pa bon

Lamazorite sa bann dimoun ki'n ganny bouze, zot in dan zot landrwa travay pa tro bokou letan. Maryse Berlouis i annan mwens ki 5 an, menm parey pour Mrs. Larue e Mrs. Linda William. Mr. Barry Faure napa 5 an

koman Ambasader, e Mr. Nourrice napa 2 an koman Sekreter Prensipal. Alor kwa ekzakteman ki Mr. Michel in esey rod fer? Ankor enn fwa i evidan ki rezon pa kler ditou, e i zis montre konfizyon.

### Pouse, san pitye

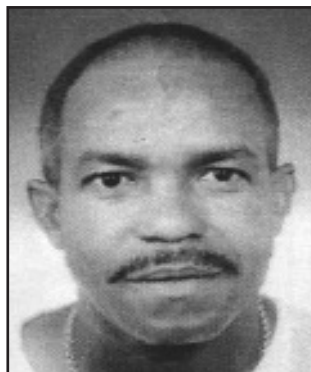

Serten dimoun in ganny pouse san okenn pitye e ozordi zot konn vre kouler SPPF. Mr. Afif ki'n tou-l-tan lo kote SPPF dan SBC e fer martir lopozisyon in sorti koman en ros dan fles! Mr. Ragain osi ki ti pas partou pou eksprim li an angle lo ki mannyer SNP pa ti bon in pas dan menm lastik. SPPF in mank respe pour dezyenn fwa anver Mrs. Noellie Alexander. Zot ti retir li koman Minis, e la zot

pa ni donn li sans ariv laz retre e zot tir li ankor koman Anbasader. Dezyennm koud roten par menm Mr. Michel! I fermal sa.

### Sesel i bezwen sanzman

Seselwa i war sa byen kler: Sesel i bezwen sanzman. Nou pa kapab kontinyen avek en gouvènmman ki pe zwe avek lavenir Seselwa. Sa ki osi grav se letan en gouvènmman i zwe avek karyer bann Seselwa profesyonnel. Tou sa i montre nou en gouvènmman ki'n perdi tou direksyon. Seselwa pe kontinyen soufer, me son gouvènmman pa enterese. Okontrer zot pli enterese donn lenpresyon zot serye kan partou kote i annan zis konplent. Leve Seselwa, annou desid nou lavenir avek nou lavwa.

## Pa bliy nou bann frer otaz

# LAVERITE SILVOUPLE

Nou pe antann bokou diferan parol lo size bann otaz Seselwa ek bann pirat Soumalyen ki'n ganny large. Minis Morgan in dir ki bann otaz Seselwa pa'n ganny sanze pour pirat Soumalyen. Vis Prezidan Belmont in vin dir nou menm zafer. Me pourtan se sa ki tou bann zour-

nal enternasyonnal pe dir, e se sa osi ki Gouvernman Puntland pe dir. Seselwa i anvi konn laverite dan sa zafer, me malerezman parey zot labitid, SPPF pa pare pou dir sa laverite.

SNP i anvi war bann Seselwa dan nou pei Sesel. Nou napa nanryen kont esanz 23 Soumalyen pour nou 3 Seselwa. Sa ki nou anvi se ki Gouvernman SPPF, dirize par Mr. Michel i zis koz laverite.

## Somalia: Puntland Response to Seychelles-Kenya Pirate Smuggling

Government of Puntland State

### PRESS RELEASE

7 September 2009

On Sunday, 6 September 2009, two light aircraft landed illegally at an abandoned airstrip about 12km south of a small village called Gara'ad located on the Indian Ocean coastline, particularly Puntland State territory near the southern boundary with central Somalia. The two planes were carrying 23 pirates who are believed to have been exchanged for three sailors from the Seychelles Islands. The Seychelles natives were taken hostage by pirates in Feb. 2009 in Somalia territorial waters. The 23 pirates were previously captured by international naval forces and imprisoned in Seychelles allegedly for acts of piracy and were transported from captivity in the Seychelles Islands by an airplane to Jomo Kenyatta International Airport (JKIA) in Nairobi, where the transaction was facilitated by elements involved in pirate smuggling and ransom transfers.

The facilitators, who were on board the planes along with the pirates, have revealed

to Puntland investigators that the 23 pirates boarded the two light aircraft at JKIA after getting off the Seychelles airplane in plain sight of Kenya Police in complete uniform.

The Puntland Minister of Civil Aviation, Hon. Ahmed Elmi Osman, was informed that the two aircraft were transporting a cargo of humanitarian aid supplies to the people of Puntland. However, the two light aircraft landed without permission at the abandoned airstrip in Gara'ad where a group of pirates were waiting to welcome their friends and to exchange them with the three hostages from Seychelles.

Information about the true nature of the operation was leaked to Puntland authorities. After leaving Gara'ad, the two light aircraft landed at Galkayo Airport at approximately 5:30pm local time to refuel ahead of a planned return trip to Nairobi. However, Puntland police and immigration officials at the Galkayo Airport arrested 10 persons with different nationalities who were on board the two planes. These persons, who were involved in pirate smuggling and ransom transfer, had no legal clearance to land in Puntland and are now under criminal investigation.

Unlike the U.S., French and Egyptian governments, who used proper and legal channels to deliver alleged pirates to Puntland, it seems that the governments of Seychelles

Islands and Kenya consented to smuggle pirates across international airports and to drop them off in Puntland illegally. Furthermore, notorious ransom facilitators were used in this illegal operation which underscores the international dimensions of piracy today.

The two light aircraft are currently grounded at Galkayo Airport and Puntland police are conducting a thorough investigation. The 10 crew and passengers, who are under police custody at a guesthouse in Galkayo, will be brought in front of a Puntland court of law after the conclusion of the ongoing police investigation. Puntland Government remains unwavering in its opposition to ransom payments and its commitment in the fight against piracy.

The list of people on board the two light aircraft who are clandestinely involved in this illegal operation are as follows:

#### Title: Name: Nationality:

1. Captain Joe Micheal Mwangi - Kenya
2. Co-pilot Elmi Hussein Elmi - Kenya
3. Captain Graham Alexander - Australia
4. Co-pilot Peter Kamore - Kenya
5. Facilitator Shueb Adam - Kenya
6. Facilitator Robin Gould-Musgrave - UK
7. Engineer Alex Mwangi - Kenya
8. Hostage Gilbert Victor - Seychellois
9. Hostage Conrad Andre - Seychellois
10. Hostage Robin Samson - Seychellois
